Honorable Robert D. Drain,

SUBJECT: OBJECTION TO MASTER DISPOSITION AGREEMENT, ARTICLE  
9.5.11; SEVERANCE PAYMENTS

I am objecting to the discontinuing of Severance Payments Delphi Corporation and Platinum are requesting per article 9.5.11 of the Master Disposition Agreement, MDA.

When released from Delphi's employment as a Senior Product Engineer for eighteen years, a severance contract or separation agreement was issued. The agreement states I personally will receive severance payments for four months starting May 1<sup>st</sup>, 2009 and Ending August 31<sup>st</sup>, 2009. I waived certain rights to receive these payments.

The contract was entered into during bankruptcy which is now a contract liability not a Delphi benefit. I have a valid / binding / legal contract and expect it to be honored.

Also, I believe severance payments are Administrative Claims and will be filing an Administrative Expense Claim Form with the courts.

Respectfully,

Mr. Timothy Woolley  
Senior Product Engineer  
Formerly of Delphi Corporation
